

Wedding Request Form

Weddings at Victory are beautiful occasions; it is an honor to celebrate this important time of life with you. Couples interested in using Victory Church facilities and/or requesting one of the Victory Pastors to conduct your ceremony, must meet the following requirements:

- The two must be active members* in good standing with VC for at least three months.
- Both persons must subscribe to the VC Statement of Faith.
- Receive a recommendation to be married by a VC Connect Group or HELP Team Leader.
- Complete the six premarital sessions with a Victory Pastor or staff.
- Submit the Premarital Questionnaire (given after submitting this intake form).

**Active Member is one who has gone through Access Victory, signed the New Member agreement, is faithfully serving on a HELP Team and tithing at Victory Church.*

If you have met all of the above requirements, and would like to proceed, please complete and submit the information below. (Please allow 1-2 weeks for reply) Wedding officiating and use of facilities are determined on a first-come/first-served basis.

It is highly recommended that you set your wedding date AFTER meeting the above-mentioned requirements.
